Antonio Ricciardetto, Nathan Carlig, Gabriel Nocchi Macedo & Magali de Haro Sanchez (edd.), *Le médecin et le livre. Hommages à Marie-Hélène Marganne* (Lecce, 2021) pp. 725-732.

Presents a survey of the results of various sources of the Greek term ἵπποπόταμος. P. Oxy. IX, 1220 features a slightly aberrant spelling of the word that may raise an interesting lexical problem. - Appendix. Attestations of the Hippo in Greek and Latin Literature.
