Lucia Criscuolo, *Des Grecs en Égypte aux Grecs d'Égypte*.

*Pallas* Hors-série 2021, pp. 229-241.

Traces the gradual transition and forms of integration of the new Greek inhabitants of Egypt who evolved from transient foreigners to become instrumental in the new political reality established by the Macedonians in the Eastern Mediterranean. Reassesses the most common historical interpretations concerning this phenomenon and the relationships with Achaemenid Egypt.
