In 1986, with the support of the Vrije Universiteit Brussel, the Musées royaux d'Art et d'Histoire of Brussels bought from M. Fackelmann 70 Ptolemaic papyri, coming from dismantled cartonnages. They are now known as "lot Melaerts". These documents, still mostly unpublished, were first studied by the late Henri Melaerts (1957-2017) and are currently the author's PhD dissertation. Presents here some documents alluding to the military in Ptolemaic Egypt.
