

364 Bacchylides Pindarus

Marco Recchia, Su alcune presunte responsioni negli Iporchemi di Pindaro (108a + 108b Maehl.) e Bacchilide (14 + 57 Maehl.) con un' appendice su Bacchyl. Ep. 13, 204.

QUCC 159 = N.S., 130 (2022) 1, pp. 137-146.

In both cases the metrical responsion is very dubious, since it is founded on unnecessary amendments to the text. - Appendice: Bacchyl. Ep. 13, 204: ἀλάθειᾶ o ἀλαθείᾳ?
