

368 Epistulae Medicorum Scripta

Alan Elbaum, "The Fire in My Heart and the Pain in My Eyes": Interdependence and Outburst in the Illness Letters of the Cairo Geniza.

Speculum 98 (2023) pp. 122-163, figg.

This study of the Geniza letters' firsthand accounts of psychic and bodily suffering sheds new light on medieval medicine, emotion, and social history.
