Konstantine Panegyres, A Letter and a Petition: Two Ptolemaic Fragments.

ArchPF 69 (2023) pp. 331-352, figg.

Publication of fragments of two Ptolemaic papyri from the collection of the Bodleian Library, Oxford. The first fragment is part of a letter (probably a report about a local dispute), while the second is part of a petition by a woman. The papyri both come from Gurob in the Fayum and can be assigned to the third century BC.
