Nikos Litinas, One more Fragment from the Land Register (P.Flor. I 64 + fr. Alex. Mus.).

APapyrol 36 (2023) pp. 103-111.

Edition of a small papyrus fragment from the Michigan Papyrology Collection. It seems to be part of a land register already known from a Florentine papyrus (P.Flor. I 64). In the appendix the text of the latter papyrus is presented with some improvements.
