

241 Nil 365 Nemesianus

Mehran A. Nickbakht, The Hidden Source of the Nile in Nemesianus, *Cynegetica* 68.

CQ 73 (2023) pp. 956-959.

Suggests a new emendation for the spurious verb *bibunt* in Nemesianus, *Cynegetica* 68. The passage should read *Nilique latentem in origine fontem* instead of *Nilique †bibunt† in origine fontem*.
