141.4 P. Trier U.B. Inv. S 78-7

Sandra Scheuble-Reiter, Waisenfürsorger (ὀρφανοεπιμεληταί) und Fohlenbezähmer (πωλοδαμασταί) im ptolemäischen Ägypten.

ArchPF 70 (2024) pp. 16-33, fig.

Presents an unpublished Ptolemaic papyrus from the collection of the University of Trier [P. Trier U.B. Inv. S 78-7, Herkunft unbekannt, 2. Jh. v.Chr.] which contains an official letter concerning a tax-collection. The papyrus is of special interest, firstly because of its unusual receipt form which requires further investigation, and secondly and primarily, however, because of its exceptional lexicography.
