Lucio Del Corso, Music, Books, and Literary Attitudes in the Zenon Archive.

Lucio Del Corso & Antonio Ricciardetto (edd.), Greek Culture in Hellenistic Egypt. Persistence and Evolutions = Trends in Classics. Supplementary Volumes. 169 (Berlin - Boston, 2024) pp. 351-386, figg.

Offers a survey of the archives' documents related to music and literary culture, in order to outline some elements of the process of acculturation which was pursued by the new Greek rulers. In such perspective, a special attention is also given to a document as P.Cair.Zen. IV 59534, a 'paraliterary' text which was surely part of the archive.
