

Jónatan Ortiz-García, The Identification of the Peloponnesian Apis with the Egyptian Serapis in Arnobius, *Aduersus nationes* 1.36.6.

CQ 74 (2024) pp. 369-374.

Examines a brief mention of the Egyptian gods Apis and Serapis in the *Aduersus nationes* by Arnobius of Sicca, within the context of several traditions dealing with the origin and connections of both of these mythical figures transmitted with some variations until Late Antiquity.
