

141.13 146 361.3 Epistulae

141.13 P. Gand. Inv. 48

Yasmine Amory & Joanne Stolk, Another Coptic Letter from the Dioscorus Archive in the Collection of the Ghent University Library?

ChrEg 99 (2024) No. 197, pp. 163-170, fig.

P.Ghent Inv. 48. Aphrodito?, first half of the sixth century. The document references taxes and officials related to the tax collection, indicating a fiscal context. After analyzing the palaeography, linguistic features, prosopography, and historical context, explore a possible connection between the text and the Dioscorus archive.
