

364 Divinationem (ad) quae referuntur

Salvatore Costanza & Amphilochios Papathomas, La tradizione fulgurale antica e medievale con la riedizione di un testimone della ceraunosopia greca (P.Oxy. VI 885).

ChrEg 99 (2024) No. 197, pp. 95-108.

Examine in detail the ancient and medieval tradition of ceraunoscopy, that is, the divinatory interpretation of lightning. Furthermore, it offers a new edition of with commentary of P. Oxy. VI, 885 (= MP3 2105; LDAB 4994), an important papyrological testimony to ceraunoscopy.
